

## Independence Cycling presents the South Jersey Spring Series Champion Jersey

Independence Cycling the promoting cycling club of the 5<sup>th</sup> Annual South Jersey Spring Series announces the Series Champion Jersey sponsored by Sommerville Sports.

**South Jersey, NJ ( January 15, 2015)** Independence Cycling today unveiled its new Series Champion jersey for the South Jersey Spring Series from technical custom clothing supplier Sommerville Sports. Along with the Series Champion Jersey, Sommerville Sports will be providing cloth numbers for the upcoming South Jersey Spring Series. It's been an exciting collaboration between Independence Cycling and Sommerville Sports for the 2014 South Jersey Spring Series as they look forward to an exciting month of bicycle racing in the month of March.

For the last 8 years Independence Cycling has been bringing various cycling events to Philadelphia and the South Jersey area. Along with the sponsorship of the Series Championship Jersey, Sommerville Sports will be at the races with some promotional information.

“We were honored when contacted to partner with Sommerville Sports and help expand their reach as a premier custom clothing manufacturer.” says Matthew Warner, Race Director, Independence Cycling. “We’re thrilled to have a South Jersey Spring Series Jersey this year that truly will make the cyclists that wear it, Look like a Champion.”

**Sommerville Sports:** After spending two years developing *our own* custom athletic apparel we officially launched our custom clothing business in 2012. With two production facilities in Asia, Sommerville Sports produces some of the most innovative, high-quality, and functional items available. Our factories are state of the art and create products solely for athletic apparel. Our extensive experience in the custom athletic apparel market affords us the opportunity to provide exceptional service and quality, from design to delivery. If you want to work with custom clothing company who will treat you as an individual - not just a number on a ledger - then we are your source. <http://www.sommervillesports.com>

**Independence Cycling:** Independence Cycling is a USA Cycling club created in 2004 by Matthew Warner to create an opportunity for young cyclist to continue their growth in the sport of cycling. It has changed in years by opening up its doors to other teams and ages that are about Safe Sport and fun under the banner of Independence Cycling. These teams are all run separately and support the cycling community with various contributions. Independence Cycling promotes various cycling events in the Philadelphia and South Jersey communities, some of the events are as follows, Le Tour De Philadelphia, South Jersey Spring Series, Independence Cross, Bridgeton Road Race, 2013 NJ Elite Road Race Championship, 2014 NJ State Masters RR Championship, South Jersey Criterium Weekend, and Independence Stage Race.
